# What is InFellowship

## An Online Resource for Our Congregation

InFellowship is an online resource for Common Ground attendees. This resource provides many ways to connect with other CG Attendees, find small groups (we call them "Connection Points"), communicate with group members, look up a name to put with a face in our online directory, make a one time donation or schedule a recurring donation, or even look at your giving history and print off a contribution statement at tax time.

InFellowship is highly secure and can be accessed from the link at the top of our church home page ([www.cgnaz.org](http://www.cgnaz.org)). You can also go directly to InFellowship at <https://cgnaz.infellowship.com>. Once you register and the church office connects your InFellowship account with our church database, you will be able to enjoy all the functions of InFellowship.

## HOW TO REGISTER

**Step One:** Go to <https://cgnaz.infellowship.com> and register.

**Step Two:** InFellowship will send you and email with instructions on how to verify your InFellowship account.

**Step Three:** Within a week, the church office staff will connect your InFellowship registration with your information on the church database.

**Step Four:** Enjoy InFellowship!

## Connect with others

### FIND A CONNECTION

Use the Connection Point Finder tool to research a group you'd enjoy. Email the leader to request more information. View a map of the group's next meeting location and you're on your way!

Once you're in a Connection Point you can email the leader or members, read notifications and group news, and easily update the group when your information changes.

If you lead a group, you can track attendance or send notifications to your group, add new members, and communicate with those interested in your group.

### SHARE ONLY WHAT YOU WANT

Once registered, you can set your privacy settings, choosing to show group members, leaders, and others only what you want them to see.

You can even choose to appear in the church online directory and determine what you'd like displayed there.

It's all secure and you get to choose how much to share with others at church. So, register today at [cgnaz.infellowship.com](http://cgnaz.infellowship.com).

## Give Your Way
